About Celebrate Marriage

Celebrate Marriage was founded in 2011 by Marcy and Tom Renken after experiencing Christ's transformative love in their own marriage. The ministry offers a proactive approach to marriage enrichment—offering opportunities for couples throughout their marriage.

The creative and fun talks and events keep audiences at ease as they receive insights and inspiration to keep their marriages thriving.

Bringing a message of joy and hope through Christ, Marcy and Tom have been featured multiple times on Catholic Radio's "Faith in Action." The ministry received the National Association of Catholic Family Life Ministers Region VII award for their work.

"Tom and Marcy Renken are waging a fierce battle on the front lines of the war on marriage and families. Telling their own story to help other couples know they are not alone and calling them to make a difference in their own little worlds and the Church."

Chuck Neff Former host of The Inner Life on Relevant Radio
